

## WE ARE THE WORLD

There comes a time when we heed a certain call

When the world must come together as one

There are people dying

And its time to lend a hand to life

The greatest gift of all

We can't go on pretending day by day

That someone, somewhere will soon make a change

We are all a part of Gods great big family

And the truth, you know,

Love is all we need

**We are the world, we are the children**

**We are the ones who make a brighter day**

**So lets start giving**

**There's a choice we're making**

**We're saving our own lives**

**Its true we'll make a better day**

**Just you and me**

Send them your heart so they'll know that someone cares

And their lives will be stronger and free

As God has shown us by turning stones to bread

So we all must lend a helping hand

**We are the world, we are the children**

**We are the ones who make a brighter day**

**So lets start giving**

**There's a choice we're making**

**We're saving our own lives**

**Its true we'll make a better day**

**Just you and me**

*When you're down and out, there seems no hope at all*

*But if you just believe there's no way we can fall*

*Oh oh oh - let us realize that a change can only come*

*When we stand together as one*

**We are the world, we are the children...**

**2X**
